

# 2018 Northwest (Montana) Regional BPCR Silhouette Championship Information

**Location:** Deep Creek Range near Missoula, MT. Sponsored by Hellgate Civilian Shooters organization.

**Match Schedule:** Matches start daily at approximately 9:30 depending on shadows.

**Thursday, June 14th:**

Range open for practice.

**Friday, June 15th:**

40 Shot Scope Match

**Saturday and Sunday, June 16th and 17th:**

Two 40 shot matches with an 80 shot two day Aggregate Iron Sight Match

**\*\*NEW THIS YEAR\*\***

Due to the desire of many shooters to shoot scope and/or iron sights all three days, I have decided to allow this to see how it works out. So if you want to shoot scope or iron all three days, it is allowed. If you want to shoot in both NW Regional Championships, you will shoot the 40 shot Scope match on Friday and the two 40 shot Iron matches with 80 shot Aggregate on Saturday and Sunday.

**Saturday Potluck Meal:** There will be a no-charge Potluck dinner Saturday evening at the range with the Hellgate Civilian Shooters Club supplying hamburgers and hot dogs. Everyone else can bring what they wish. Everyone is invited including spouses, children, and traveling companions.

**SHOOTING FEES:** Cost to shoot is \$50/day (\$25/day for Junior shooters).

**AWARDS:** There will be awards in the form of plaques and/or prizes in the form of merchandise depending on the donations received by the match date. Awards for each match will be presented at the end of each day as follows:

**Scope and Iron Championships:** 1st, 2nd, and 3rd for Overall, Master, AAA, AA, A, and B classes.

**Special awards:** High Super Senior, High Senior, High Woman, and High Junior if applicable.

**Friday, Saturday, and Sunday Daily matches:** 1st, 2nd, and 3rd for Overall.

**RULES:** NRA Silhouette rules will apply.

**ELIGIBILITY:** Participation in this championship is open to all citizens and non-citizens whom are members of their respective national shooting federations or associations. American shooters must have current NRA Silhouette score book.

**CLASSIFICATIONS:** The NRA Silhouette classification system will be used. Individuals who do not have a classification in the Championship in which they plan to compete, will set their classification at the end of their first match. Classification Score Record Booklets must be presented when registering at the range and will be checked off on the Master Score Sheet. Classifications may change between the time of registration to the match and when it is held, so please insure that your Classification Booklet is up to date.

**SQUADDING:** Squadding assignments will be made according to any requests on you entry form. If you don't designate a spotter you will be placed by the match director for the best possible fit.

## SAFETY

All rules for safety will be strictly enforced. Failure to conform will be basis for disqualification. Safety is of the utmost importance and rules are well documented in the NRA Black Powder Silhouette Rulebook. The Match Director has the authority to ban any competitor, firearm, or ammunition at any time for reasons of safety. Eye and ear protection is required for all persons on the firing line. Consumption of any alcohol or controlled substance, either on the range or in the spectator areas adjacent to the range while the match is in progress, is prohibited. As a courtesy to other competitors, smoking on the firing line is prohibited while the range is in use.
